

AAUW and LEADERSHIP MORGAN HILL

AAUW-MH believes it is important to develop our members as future leaders in our community, as well as in our branch. To that end we plan to again sponsor a branch member to attend Leadership Morgan Hill (LMH), class of 2018.

LMH is a nine-month, in-depth program that teaches its participants about the City of Morgan Hill, while developing their community leadership skills. We are seeking a candidate who is actively involved with our branch and familiar with the AAUW mission. When the member completes the program, we expect that she will share her knowledge and provide leadership service to our branch and to the community.

If you are interested in having AAUW-MH sponsor your participation, please:

- Review the information on the [Leadership MH](#) website to ensure this program matches your goals and **that you are able to meet the attendance and time requirements.**
- Contact [Janet McElroy](#), AAUW-MH Leadership Development Team Chair, to let her know of your interest.
- Complete the application found on the LMH website and provide it to Janet no later than October 11, 2017.

On October 13, the Leadership Development Team will meet to review applications and select a candidate. That member would then submit her application to Leadership MH, along with a \$25 application fee. LMH will then consider the application and schedule an interview.

If you have specific questions about the LMH program, you may contact past AAUW participants: [Peggy Martin](#), [Maggie Leininger](#), and [Margaret McCann](#).

Sponsorship of the \$1300 LMH tuition comes from the Wildflower Fund.
