

GEMS* @ Bay Area Science Festival Saturday, November 11, 2017

Sponsored by the Morgan Hill branch of AAUW For All *Girls Engaged in Math and Science

On **Saturday, November 11**, we will attend the finale of the seventh annual Bay Area Science Festival - Discovery Day at AT&T Park. At this hands-on event, there will be over 150 interactive exhibits, shows, experiments, and games showcasing the excitement and joy of science. We will participate in activities and investigate questions involving medicine, biotechnology, chemistry, and robotics, as well as many other STEM fields.

This free event is open to GEMS, parents, families, and friends. When you RSVP, please let me know how many will be attending, and whether someone in your party is willing to drive, so I can arrange the carpools beforehand.

As usual, we will meet at the Morgan Hill Caltrain parking lot (immediately behind the Community Garden fence) **by 8:00 AM** to assemble carpools, check out T-shirts, and distribute snacks before leaving for AT&T park for festival. **We will not wait for latecomers.** We will reassemble as one group for festival entry immediately after arrival.

Please dress in layers, wear walking shoes, and bring a sack lunch, beverage, and either a warm jacket or sweatshirt. We will NOT be purchasing food or other festival items.

When: Saturday, November 11, 2017

Time: 8 AM – 5:00 PM

**Where: AT&T Park Bay Area Science Festival Discovery Day
