

GEMS: GIRLS ENGAGED IN MATH AND SCIENCE

GEMS is an inclusive, 501(3)(c) program, open to all local 7th-12th grade girls interested in one or more of the STEM disciplines. The purpose of this group is to provide enrichment activities in the areas of science, technology, engineering, and math (STEM) to middle and high school girls. It is one of the many avenues through which AAUW contributes to in its mission to advance equity for women and girls.

The following are the planned activities for the 2017-18 school year:

October 21	Elkhorn Slough National Estuarine Research Reserve
November 11	Bay Area Science Festival
December 3	Tech Museum –Body Worlds Decoded
January	CANCELLED
February	Infineon
March 25	Wildflower Run (volunteer activity)
April 14	Future Women Leaders of America workshop
May 6	Monterey Bay Aquarium

For more information, contact the GEMS coordinator, Susan Oldham-Fritts at gems@aauwmh.org
