

GEMS: GIRLS ENGAGED IN MATH AND SCIENCE

GEMS is an inclusive, 501(3)(c) program, open to all local 7th-12th grade girls interested in one or more of the STEM disciplines. The purpose of this group is to provide enrichment activities in the areas of science, technology, engineering, and math (STEM) to middle and high school girls. It is one of the many avenues through which AAUW contributes to in its mission to advance equity for women and girls.

The following are the planned activities for the 2018-19 school year:

October 14	Santa Clara University/ <i>Nobelles</i> STEAM event
November 3	Bay Area Science Festival, AT&T Park
December 2	Tech Museum
March 31	Wildflower Run (volunteer activity)
April 6	Future Women Leaders workshop
May 5	Monterey Bay Aquarium
