

## IN MEMORY OF LAURA BRUNTON, 1942-2013

**Laura Brunton** was a long-time member of AAUW. She joined our branch in October 1986 and served as president in 1993-1994. She was scholarship chair when the branch offered its first Gavilan College scholarship in 1990 and continued in the job until 2003. She always supported the Wildflower Run and was part of the business sponsor committee.

Laura was also very active with other Morgan Hill community groups, including the Chamber of Commerce, Rotary, the Flower Lovers club, Kiwanis, and the Downtown Association.

Laura was preceded in death by her husband Ken. She is survived by three adult sons and two grandchildren. A celebration of Laura's and Ken's lives was held March 17 at the Community and Cultural Center with several hundred in attendance.

**Barbara Palmer** recalls, "Laura was a warm, loving person involved in many Morgan Hill activities over the years. She was always smiling and worked tirelessly to improve the town she chose to live in. She was willing to help anyone with anything at anytime. Our town has lost a generous soul, and she will be missed by all who knew her."

**Linda Tarvin** says, "I knew Laura through the Chamber of Commerce, AAUW, and Toys for Tots. She was always relaxed, smiling, and interested in helping others. Laura had such a great laugh that she could make others feel better just by her cheerful demeanor. She and Ken were a happy couple and always so sweet to each other. I miss her so much!"
