

MEET THE TREASURER: PEGGY MARTIN

Although Peggy Martin is new to her role as branch treasurer, she has extensive experience in the world of finance. She and her husband Craig combined their separate financial services businesses in 1999 to create Family Wealth Consulting Group, located in San Jose.

Peggy has also just completed her Master of Science in Financial Services from the American College in Bryn Mawr, PA. This degree is awarded to professionals who complete graduate courses in financial strategies, insurance, investment, and estate planning, and includes a week of intensive study at the college. Congratulations to Peggy for this achievement!

Peggy moved to Morgan Hill from San Jose about 5 1/2 years ago. She lives in Jackson Oaks in a home that she has named Heavenly Manor for its wonderful view that she considers to be a slice of Heaven. She has two stepdaughters and two granddaughters

Peggy states. "I owe a big 'thank you' to Janet Rathmann for introducing me to AAUW Morgan Hill. I have enjoyed this group a lot and look forward to future events and doing more with AAUW." And AAUW-MH is grateful for Peggy and the work that she is doing with our branch finances and her continued support of the Wildflower Run.
