

2021 4th of July Parade

We are excited to be planning for participation in Morgan Hill's 2021 4th of July Parade! All members are invited to join us. We will be joined by Scholarship recipients, Tech Trek participants, Young Women Leaders, Speech Trek participants, and other community members we have engaged with in our activities.

Our "uniform" will be red shirts and white shorts, pants, or skirts. There will be limited space in a trailer for those wishing to ride. Our float's theme will be "Our Amazing Women Heroes," with posters representing them. We will also use this opportunity to promote the 2022 Wildflower Run, scheduled for March 27, 2022.
