

Trinidad Coconut Ice Cream

Makes almost 1/2 gallon
submitted by Elizabeth Mandel

Ingredients

- 3 c coconut milk (not low fat)
- 2 c heavy cream
- 1 c condensed milk
- 1 c sweetened condensed milk
- 1 Tbsp custard powder
- 1/4 tsp cinnamon
- 1/2 tsp vanilla
- 1/4 c sweetened shredded coconut

Preparation

1. Combine all ingredients but coconut in pot. Ensure custard powder is dissolved before turning on heat.
2. Bring ingredients just to a simmer over medium-low heat (will take up to 10 minutes).
3. Cool thoroughly in fridge.
4. Follow ice cream maker directions to finish.
